Laura,
I'm glad that we became better friends this year. Now you're one of my bestest friends we just had so many good times in Mrs. Wicks class and Mrs. Conrads class especially everyday with a coke or some kind of munchie. Well, hey! at least no one can say were not well nourished and I think we left our mark in the drawers of our table. (knowing Castro Valley High, our garbage will still be there next year!)

ACKNOWLEDGEMENTS

The 1985 Yearbook Staff would like to thank the entire Castro Valley High School Staff for its cooperation throughout the year.

Our appreciation also goes to Fred LaCosse and Terry Lowry and the production crew of "AM San Francisco" for arranging the photo session following the show.

Our thanks also goes to all the students and particularly those who contributed art works and photographs in the senior section.

Without the help of our official school photographer, we would never have the photographs needed to meet our deadlines. For this, we are grateful beyond words to Roy Garibaldi and those who work in his studio.

And finally, to Ed Farewell, our publishing representative, who constantly watches out for our interests.

Laura,

Well, We Made it. Thank God. I was dreading the airlines for awhile, but I guess I'll have to learn to live in the graduating & making it on the Real World. God knows we earned it. In every which way you can imagine. We can imagine at least [redacted] Those Statue-of-Liberty days changing the prices, the bathroom windows. We had a lot of good laughs. For sure. For sure. Well, we are now gonna face with the girls. Say and so many memories to bring back but Victoria now is back to Canada, I'm afraid that we will have to stay apart. But we made it through. We are and will be (not old)

Hello just wanna say I'm fine and dandy. Hope you're doing the same. Of course I miss you. Love ya, Leslie
